Doubt class assignment-13

Saurabh Shukla (MySirG)

```c
switch (var)
{
    case 1 :
            printf("Good");
            break;
    case 2:
            printf("Better");
            break;
    case 3:
            printf("Best");
            break;
    default:
            printf("Invalid");
}
```
